

Junior October Song Sheet

FALL IS HERE... FALL IS HERE !!

Fall is here... Fall is here!
How do you think I know?
I saw a RED leaf falling,
That's how I know it's so.

(Change to: Yellow leaf, Brown leaf, etc.)

I'M A PUMPKIN MAN

With one round eye...
I'm a pumpkin man.
With one round eye...
I can wink, I can.
With two round eyes...
I'm a pumpkin man.
With two round eyes...
I can see, I can.
With a funny nose...
I can smell, I can.
With a curvy mouth...
I can smile, I can.
With a candle bright...
I can shine, I can.

5 LITTLE JACK O' LANTERNS

5 Little Jack O' Lanterns
Sitting on the gate.
The 1st one said,
"Oh my, it's getting late."

The 2nd one said,
"There are witches in the air."

The 3rd one said,
"I don't care!"

The 4th one said,
"Let's run and run and run."

The 5th one said,
"Isn't Halloween fun?"

Then **WHOOSH** went the wind
And **OUT** went the light,
and 5 Little Jack 'O Lanterns
rolled out of sight.

THE TINIEST WITCH

The tiniest witch that I ever did see;
Peeked in the window and winked at me.

I waved once or twice and very soon,
She jumped three times
and flew to the moon!
